We would love to get to know you while you are still a student to see if we are a good fit. If you have completed at least six semesters of the law programme you can apply for a job as a summer or winter intern. We also welcome thesis trainees and offer part-time positions.

Summer and winter intern

A summer internship is a 10-week placement that gives you the perfect opportunity to find out what life is like in a commercial law firm. During the Christmas study break we offer a winter internship during 3 to 4 weeks. As an intern you are introduced to the work done by a lawyer and you will be mentored by one of our lawyers.

Do you have an idea for a thesis topic?

We want to offer you a work placement that will be of value to you when you enter the world of work. Please feel free to contact us and tell us what you are interested in learning more about and we will match your wishes with our opportunities. The work placement involves 10 weeks of working as a lawyer for us, focused on one or more areas of activity.

Do you want to work part-time?

We employ a couple of students each year for part-time work in law or administration. This could mean working as a legal assistant one day a week, as extra staff in our reception or in other parts of our business.

Have you completed your studies?

Congratulations! We would like to hear more about you. [Here](#) is where you find our vacant positions. You apply by uploading your cover letter, CV, diplomas from secondary school and university as well as other relevant certificates. It is also possible to apply by logging in with your LinkedIn profile.
