DLA Piper advises Skandinaviska Enskilda Banken AB's venture capital fund Fairpoint Capital in connection with their investment in Foreseeti (<https://www.foreseeti.com/>). DLA Piper's team lead and managed by Gabriel Liska, and primarily assisted by Jessica Ehrling and Björn Rustare, has now advised Fairpoint Capital in connection with 5 of their equity investments since the inception of the venture capital fund 2019. Responsible partner has been Mikael Moreira.

Foreseeti was founded by a group KTH-researchers who have been focusing on IT security for many years. Foreseeti enables companies to conduct threat modeling and attack simulations on IT-architectures of today's interconnected infrastructures.
