

# DLA Piper advised EQT Ventures with their investment in the fintech company Juni

Mikael Moreira  
Partner

Gabriel Liska  
Senior Associate

Julia Dahl  
Associate

DLA Piper has advised EQT Ventures on their USD 52 million investment in the fintech company Juni. The investment completes Juni's Series A round to a total USD 73 million. The EQT Ventures' funds are among the largest venture capital funds in Europe and employs a multi-stage strategy typically ranging from late seed rounds all the way to growth rounds.

Juni is a neobank that develops a banking platform specifically for e-commerce and companies selling online.

DLA Pipers team consisted mainly of Mikael Moreira, Gabriel Liska and Julia Dahl.
