

DLA Piper has advised Sprint Capital in their \$50 million investment with Planhat

Mathias Berggren
Partner

DLA Piper has advised Sprint Capital in their \$50 million investment with Planhat – the customer success platform. Sprints Capital invests in technology-enabled companies with proven business models, strong and durable market positions and excellent teams. Over the last two decades Sprints Capital has invested over €2bn in promising European internet businesses, many of which have grown to become global champions.

The DLA Piper team which advised on the transaction included Mikael Hagström, Jesper Lindbom, Julia Dahl, Louise Oreb, Isabell Pettersson, William Duru and Anna Johnsson.
