DLA Piper has advised TRATON SE on the second update of its EUR12 billion Euro Medium Term Note (EMTN) Programme. The programme will allow TRATON SE, TRATON Finance Luxembourg S.A. and TRATON Treasury AB to issue and/or guarantee the debt securities.

With its brands Scania, MAN, Navistar, and Volkswagen Truck & Bus, TRATON SE is one of the world's leading commercial vehicle manufacturers striving to become a Global Champion of the truck and transport services industry.

The update to the base prospectus was approved by the Luxembourg Supervision Commission of the Financial Sector on 3 May 2023. The notes under the EMTN Programme will now be listed on the Luxembourg Stock Exchange.

Following the update, DLA Piper also advised TRATON Finance Luxembourg S.A. on the first drawdown under the updated programme amounting to EUR1 billion divided into two fixed-rate series of notes.

A team from DLA Piper's Stockholm and Luxembourg offices worked on the matter, led by partners [Marianne Ramel](#) (Corporate, Stockholm) and Laurent Massinon (FPR, Luxembourg). They were supported by partners Erik Björkesson (Tax, Stockholm), [Mikael Kövamees](#) (FPR, Stockholm) and Jacques Wantz (Tax, Luxembourg), and senior associate Eduardo Fonseca, counsel Julie Hecklen and associates [Hugo Ahlner](#) and Cyril Poels.
