

DLA Piper hosts Global Vis Pre-Moot 2024

DLA Piper in Sweden will be hosting its Annual Vis Pre-Moot in preparation for the 31st Willem C. Vis International Commercial Arbitration Moot.

The Stockholm Vis Pre-Moot will take place on 9-10 February 2024, as a part of the DLA Piper Global Vis Pre-Moots.

The event has the purpose of providing students with the opportunity to practice in the same format as the main competition, which is why, for the second year running, the Pre-Moot will be held at our offices in Stockholm, Sweden. The Pre-Moot provides an excellent opportunity for teams from different countries to practice their oral pleadings ahead of the competition in March. All participating teams will plead before arbitral tribunals made up of experienced practitioners specialized in international arbitration.
