

The Body Shop Svenska Aktiebolag in bankruptcy

Jonas Premfors
Partner, Head of Restructuring and
Insolvency, Sweden

The Body Shop Svenska Aktiebolag, corporate identity number 556235-8928 ("Body Shop") was declared into bankruptcy by the Stockholm District Court on 23 April 2024. Attorney [Jonas Premfors](#) has been appointed as the bankruptcy trustee.

Update

The bankruptcy estate of the Body Shop has continued the business operations in Sweden for a month following the bankruptcy. However, the stores are now closed, and the staff have been relieved from their duties. The target has always been to find a new franchisee in Sweden who could take over the business operations of the Body Shop. Unfortunately, this has not been a viable route as the parent company is put in administration in the UK: [The Body Shop in administration: information for employees and creditors - GOV.UK \(www.gov.uk\)](#)

In Sweden, there are currently around 20 stores which are operated by individual franchisees, and these are not directly affected by the bankruptcy of Body Shop (i.e. The Body Shop Svenska Aktiebolag).
