

DLA Piper has advised SEB Greentech Venture Capital on its investment in AirForestry AB

Gabriel Liska
Partner, Lawyer

DLA Piper has advised SEB Greentech Venture Capital, a business unit within Skandinaviska Enskilda Banken investing in green technology, on its investment in AirForestry AB. The EUR 10.3 million seed founding will be used to further develop AirForestry AB's technology: harvesting trees from above with drones.

DLA Piper's team consisted of [Gabriel Liska](#), [Karolin Bergström](#) and [Thea Werr](#) (corporate) and [Erik Brändt Öfverholm](#) and [Linnea Wernheim](#) (regulatory).
