

DLA Piper has advised Headline in connection with its investment in Brite Payments

Mikael Moreira
Advokat, delägare

Karolin Bergström
Jurist

DLA Piper has advised Headline in connection with its investment in Brite Payments. Headline is a venture capital firm that identifies fast-growing technology teams in every geography and makes their success global.

Brite Payments uses open banking technology to equip businesses with instant payments and payouts and was founded in Stockholm by Lena Hackelöer in 2019. The USD 60 million raised will be used to accelerate geographic expansion and fuel product development in Brite Payments.

More information can be found here: <https://headline.com/blog-latest/article-latest/brite-and-open-banking>.

DLA Piper's team has primarily consisted of [Mikael Moreira](#) and [Karolin Bergström](#).
