Jurist

DLA Piper has advised Siemens Financial Services, with its equity investment in H2 Green Steel ("H2GS"). Siemens Financial Services is the financing arm of Siemens, the German multinational technology company. H2GS was founded in 2020 with the purpose to decarbonize hard-to-abate industries by, among other things, producing steel with lower CO2 emissions than steel made with traditional coke-fired blast furnaces.

More information can be read here: [H2 Green Steel raises more than €4 billion in debt financing — H2 Green Steel](#)

DLA Piper's team has primarily consisted of [Mikael Moreira](#), [Gabriel Liska](#), [Jacqueline Björklund](#), [Thea Werr](#) (corporate), [Erik Brändt Öfverholm](#), [Hanna Medelius](#), [Linnea Wernheim](#) (competition and regulatory), [Johan Zetterström](#), [Christina Hagström Björn](#), [Ida Hedlund](#) (employment), [Gustav Lundin](#), [Per Flood](#) (IPT), [Johan Forsling](#), [Kajsa Tideman](#), [Oskar Fröberg](#), [Alexander Häggkvist](#) (real estate), [Carl Schwieler](#), [Erik Hellem](#) and [Felicia Lindstrand](#) (banking & finance).
