

DLA Piper further strengthens its position as leading M&A advisor in the Nordics

Mathias Berggren
Partner, Advokat

According to the Mergermarket Legal Advisor League Tables 2024, DLA Piper recorded the highest number of transactions in the Nordic region.

Our lawyers in the Nordic region have been involved in 388 registered transactions in 2024. DLA Piper also tops the list of transaction volume globally, with 1397 registered transactions, and in Europe.

In Sweden, DLA Piper reached second place in the number of transactions, with 131 completed transactions during the year.

"This achievement highlights the strength of our M&A teams across the Nordic region and underscores our dedication to delivering outstanding outcomes for our clients. Thanks to our Swedish and international clients for the trust. We eagerly anticipate to continue supporting them in 2025, both locally and globally", says [Mathias Berggren](#), Head of Corporate in Sweden.

Our annual Global M&A Intelligence Report

This report provides insights and trends on M&A activity across the world. The latest edition of our report will provide analysis of key global terms of over 5,500 private M&A transactions over the last 10 years. The report

will also highlight key M&A dealmaking considerations and trends in key geographies and how hot topics in the current market are impacting M&A.

If you want to be informed about cross-border transactions, you can request a copy of our Global M&A Intelligence Report here: [Transforming your tomorrow with our thought leadership: Global M&A Intelligence Report 2024 | DLA Piper](#)
